Dear Parents,

In keeping with New Jersey's child care center-licensing requirements; we are obliged to provide you, as the parents of a child enrolled at our center, with the following information statement.

The statement highlights, among other things, your right to visit and observe our center at any time without having to secure prior permission; the center's obligation to be licensed and to comply with the licensing standards; and the obligation of all citizens to report suspected child abuse/neglect/exploitation to the State's Division of Youth and Family Services (DYFS)

Please read this statement carefully and if you have any questions please feel free to contact me at (973) 230-0448

Sincerely,

Amanda L. DiScala

Information to Parents

Under provisions of the Manual Requirements for Child Care Centers (N.J.A.C. 10:122), every licensed child care center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements and other child care matters. The center must comply with this requirement by reproducing and distributing to parents this written statement, prepared by the Bureau of Licensing in the Division of Youth and Family Services (DYFS). In keeping with this requirement, the center must secure every parent's signature attesting to his/her receipt of the information.

Our center is required by the State Child Care Center Licensing law to be licensed by the Bureau of Licensing in the New Jersey Division of Youth and Family Services. A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center.

To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may secure a copy of the Manual of Requirements by sending a check or money order for \$5 made payable to the "Treasurer, State of New Jersey", and mailing it to: State of New Jersey, Department of Human Services, Licensing Publication Fees, PO Box 34399, Newark, New Jersey 07189-4399.

We encourage parents to discuss with us any questions or concerns about the policies and of the center or the meaning, application or alleged violations of the Manual of Requirements for Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing standards, you are entitled to report them to the Bureau of Licensing toll free at -877-677-9845. Of course, we would appreciate your bringing these concerns to our attention, too.

Our center must have a policy concerning the release of children to parents or people authorized by parents to be responsible for the child. Please discuss with us your plans for your child's departure from the center.

Our center must have a policy about administering medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in our center. Parents are entitled to review the center's copy of the Bureau of Licensing's Inspection/Violation Reports on the center, which are issued after every State licensing inspection of our center. If there is a licensing complaint investigation, you are also entitled to review the Bureau's Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review.

Our center must cooperate with all DYFS inspection/investigations. DYFS staff may interview both staff members and children.

Our center must post its written statement of philosophy on child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any questions you have about it.

Our center must offer parents of enrolled children ample opportunity to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents.

Our center must advise parents in advance of every field trip, outing, or special even away from the center, and must obtain prior written consent from parents before taking a child on each trip.

Our center is required to comply with the New Jersey Law Against Discrimination (LAD), P.L. 1945, C. 169 (N.J.S.A. 10:5-1 et seq.), and the Americans with disabilities Act (ADA), P.L. 101-336 (42 U.S.C. 12101 et seq.). Anyone who believes the center is not in compliance with these laws may contact the Division on Civil Rights in the New Jersey Department of Law and Public Safety for information about filing an LAD claim at (609) 292-4605 (TTY users may dial 711 to reach the New Jersey Relay Operator and ask for (609) 292-7701), or may contact the United States Department of Justice for information about the filing an ADA claim at (800) 514- 0301 (voice) or (800) 514-0383 (TTY).

Anyone who has reasonable cause to believe that an enrolled child has been or is subjected to any form of hitting, corporal punishment, abusive language, ridicule, harsh, humiliating or frightening treatment, or any other kind of child abuse, neglect, or such reports may be made anonymously.

Expulsion Policy

Unfortunately, there are sometimes reasons we have to expel a child from our program either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced. The following are reasons we may have to expel or suspend a child from Bridges to Learning.

IMMEDIATE CAUSES FOR SUSPENSION OR EXPULSION

The child is at risk of causing serious injury to other children or himself/herself.
Parent threatens physical or intimidating actions toward staff members.

Failure of child to adjust after a reasonable amount of time.
Uncontrollable tantrums./angry outbursts.
Ongoing physical or verbal abuse to staff or other children.

Other(explain)

SCHEDULE OF EXPULSION

If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time so that the parent/guardian may work on the child's behavior or to come to an agreement with the center.

The parent/guardian will be informed regarding the length of the expulsion period.
The parent/guardian will be informed about the expected behavioral changes required in order for the child or parent/guardian to return.

The parent/guardian will be given a specific expulsion date that allows the parent sufficient time to seek alternate child care (approximately one to two weeks noticed depending on risk to the other children's welfare or safety) Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from

A Child Will Not Be Expelled

If a child's parent(s):

- Made a complaint to the Office of Licensing regarding alleged violations of the licensing requirements.
- Reported abuse or neglect occurring at the center
- Questioned the center regarding policies and procedures.
- Without giving the parent sufficient time to make other child care arrangements.

PROACTIVE ACTIONS THAT MAY BE TAKEN IN ORDER TO PREVENT SUSPENSION OR EXPULSION

- Staff will always use positive methods and language while disciplining children.
- Staff will praise appropriate behaviors.

Medication Policy

Dear Parents

This year the state mandated Health, Sickness and Medication Policy has been revised. Attached is a copy of our **Health Sickness Medication Policy**. Also attached to this letter is a copy of our Medication Administration in Child Care Policy and Procedures. Please read, complete and sign this policy and return with enrollment agreement.

UNIVERSAL CHILD HEALTH RECORD – All children attending schools in New Jersey must have their physician complete a Universal Child Health Care Record **PRIOR** to enrollment.

IMMUNIZATION POLICY – Immunization records must be kept up to date. When you take your child to the doctor, we must be provided with an updated copy of their immunizations. All children under the age of 60 months must have a flu vaccine in order to attend any facility in New Jersey. The vaccine must be received no later than December 31, 2013. The town audits our files every fall. If you have not provided us with updated records please do so no later than October 24, 2013. Should you want your physician to fax forms to us, our fax number is, 973-230-0447. Failure to provide this information could result in your child not being able to attend our center or any center in the state.

ALLERGIES, ASTHMA, SEIZURES – At the time of registration, we must be notified if your child has any of these conditions listed above. An **ACTION PLAN MUST BE SUPPLIED FOR ANY CHILDREN WITH THESE CONDITIONS**. We are prohibited from administering any medication (EPIPen, nebulizer medication or Seizure medication) unless we have a complete Action Plan on file. These plans must be updated yearly.

PRESCRIPTION MEDICATION – If you have prescribed medication that must be administered while your child is at school, you **MUST** complete a "PERMISSION TO GIVE MEDICATION IN CHILD CARE FORM". Without this form we can not administer medication. Please remember to sign the form once you have completed it. All medication **MUST** be in its original container, the following information must be on the container: child's first and last name, date of order, name of medication, dosage, time route & frequency. Medication **CAN NOT** be left in the classroom. It **MUST** be left in the office. When it is time to administer the medicine, the

medication will be administered by a staff member that has been trained on the new state medication guidelines.

OTC (OVER THE COUNTER) OR NON PRESCRIPTION MEDICATION – Examples of OTC medication include but are not limited to:

- Fever reducer or pain reliever
- Antihistamines
- Cortisone cream
- Nose drops or nose sprays
- Medicine used for common gastrointestinal problems

Non prescription sunscreen and insect repellent always require parental consent but do not require instructions from each child's prescribing health professional.

We must have a note written by your physician in order to administer OTC medication. The note must be specific to what the medicine should be used for. For example, if you have a note for Tylenol, the note can not say "to be given as needed", it must say "to be give as needed for fever" or "to be given as needed for runny nose". If your note is for fever, we can not give your child the medicine for something else. All over the counter medication must be given to the office with the note. The note and the medication will be kept in the office. Please check expiration dates on medications. We will check expiration dates periodically and return expired medication to you for disposal.

We will not administer folk or homemade remedy medications or treatments. We will not administer a medication that is prescribed for one child in the family to another child in the family.

POLICY ON THE MANAGEMENT OF COMMUNICABLE DISEASES

If a child exhibits any of the following symptoms, your child should not attend the center. If such symptoms occur at the center, the child will be removed from the group and parents will be called to take the child home.

- Severe pain or discomfort
- Acute diarrhea
- Episode of acute vomiting
- Elevated oral temperature of 101.5 degrees Fahrenheit
- Lethargy
- Severe coughing
- Yellow eyes or jaundice skin
- Red eyes with discharge
- Infected, untreated skin patches
- Difficult or rapid breathing
- Skin rashes in conjunction with fever or behavior changes

- Skin lesions that are weeping or bleeding
- Mouth sores with drooling
- Stiff neck

Once your child is symptom-free for 24 hours, or has a health care provider's note stating that the child no longer poses a serious health risk to himself/herself or others, the child may return to the center. If a child is diagnosed with the "flu" the period to remain at home is longer than 24 hours and the child can not return to school without a written doctor's note.

TABLE OF EXCLUDABLE COMMUNICABLE DISEASES

A child who contracts any of the following diseases MAY NOT return to the center without a health care provider's note stating that the child presents no risk to himself/herself or others:

<u>Respiratory Illnesses</u>	<u>Gastrointestinal Illnesses</u>	<u>Contact Illnesses</u>

Hemophilus Influenza	Giardia Lambilia	Scabies
Measles	Hepatitis A	Shingles
Meningococcus	Salmonella	
Mumps		
Strep Throat

Our goal is to ensure that all children entrusted to our care remain healthy. We understand that job commitments, can make it difficult to keep a child home, however, please do not self medicate your child to mask symptoms, so that you can bring them to school. We believe that for the health of everyone involved, including your family, a sick child should remain at home.

Should you have any questions or concerns please feel free to stop by the office to discuss. Thanks in advance for your adherence to the above letter.
